If your child is preparing to sit both tests then there are 3 practice papers to complete each week.

- 1x CEA Practice Paper

- 1x English Multiple Choice Practice Paper

- 1x Maths Multiple Choice Practice Paper

### Notes

This timetable is not set in stone and is just a general guide to get you started. You may need to amend it accordingly depending on when you start preparing your child or breaks like the Easter holidays fall earlier/later in the calendar.

You may also find the closer to the actual assessments you get you want to increase the number of papers your child completes each week.

You also may need to take into account any preparation that is being done by your child's primary school.
